

# **PTCOG Radiation Therapists (RTT) Working Group**

## **PTCOG Radiation Therapists (RTT) Working Group**

The duties of the PTCOG RTT Working Group are the organization of the RTT Educational Sessions in close collaboration with the Educational Subcommittee. The goal of the RTT working group is to promote collaboration between physicians, physicists, and radiation therapists which can lead to advancements in all fields. This important collaboration allows RTTs to gain exposure to the latest research and clinical practices in the field and network with potential collaborators for future projects.

The PTCOG Radiation Therapists (RTT) Working Group consists of the following members charing the group:

**Courtney Misher**

Penn Medicine, Department of Radiation Oncology, Philadelphia,  
PA, USA

**Rita Simoes**

University College London Hospital (UCLH), London, UK

**Ingrid Kristensen**

The Skandion Clinic, Uppsala, Sweden
