* The term of office is 3 years and may be renewed once, for a maximum total service of 6 years. It is recommended that the 3 co-chairs come from 3 different continents (America, Asia, Europe). To ensure continuity, it is recommended that the co-chairs step down on a staggered basis following their first three-year term.

Subcommittee Achievements (e.g. white papers, publications, workshops, ...) – max 2,000 characters including spaces:

Survey of imaging practices in particle therapy centres – coordinator Vicki Taasti, manuscript submitted to Radiotherapy & Oncology in July 2026

Whitepaper on synthetic CT generation – coordinator Stefan Both, manuscript under preparation

Two online educational webinars under spring 2026 (23 February and 5 March).

Do you maintain a mailing list of subcommittee members (**Yes**)?

Should the subcommittee continue its work (**Yes**)?

If yes, please describe the planned activities and goals for the next 3 years – max 2,000 characters including spaces:

Webinar series to continue with 2 webinars per semester with proposed topics:

Site-specific patterns of practice of image guided particle therapy in Europe (4-5 sessions)

Doses from imaging procedures

Connect educational webinar activities with those of the ECR Subcommittee.

Harmonise activities with the imaging workgroup in EPTN.

Please circulate this form to all subcommittee members and once agreed upon by the subcommittee submit it to: secretariat@ptcog.online (cc: m.durante@gsi.de) within:

August 30, 2026

Please attach the list of subcommittee members (name and country).

The information contained in this form and the list of members will be uploaded on the webpage of your subcommittee (see: <https://ptcog.online/subcommittee/>).
